SADDLEWORLD DRESSAGE SHOWCASE

WITH FREDERIC WANDRES (GER)

Timetabled: Sunday 25 March 2018 - DJWTS Indoor 1

Frederic Wandres: The 30-year-old professional dressage rider just comes off a stellar 2017, which put his name on the map in European dressage circles.

Earlier in the year he won the qualification event for the prestigious Louisdor-Prize for young Grand Prix horses. At the 2017 *Horses & Dreams* Frederic and Dimaggio son Duke of Britain impressed the judges most to place in front of Ingrid Klimke and her two horses. Frederic was then selected to represent Germany on two horses at the World Championships for Young Horses in Ermelo, where he placed fourth with Sir Skyfall. This proved motivation enough to steer his other ride, Fior by Fürstenball to a commanding win in the six-year-old class at the Bundeschampionate. The pair scored a 9.5 for their flowing trot work and fantastic half passes, and another 9.5 for general impression, awarding the stallion's self-carriage and the rider's light contact. Frederic and Duke of Britain finished their season with a strong 5th place amongst a highly competitive field in the Louisdor-Prize in Frankfurt in December.

We are looking forward to Frederic presenting the Saddleworld Showcase of Dressage excellence.
